

MTS Rail Safety Rule & Procedure – Non-Material & Administrative Changes

Commencing 0001hrs Monday 28th April 2025, Metro Trains Sydney will implement the non-material and administrative amendments to Rail Safety Rules, Procedures, Forms and Glossary previously advised in a notification of change to stakeholders on the 3rd of March 2025.

Access to the online briefing and assessment will be available from the week commencing 22 April 2025 via Elmo (for internal staff) and RIW (for external contractors). All briefings and assessments are to be completed prior to the implementation date, with evidence of completion recorded in each worker's RIW profile.

In consideration of operational demands and the Easter break, a two-week grace period will apply. All assessments must be completed by no later than **Monday, 12 May 2025**.
